Legislator Anker Attends Annual LI2Day Walk

Legislator Anker joined by Mamas Boyz, who are two champion lacrosse teams who work hard fundraising for the North Shore Neighbors Breast Cancer Coalition. Also pictured is North Shore Neighbors Breast Cancer Coalition President Patti Kozlowski at the 2015 LI2Day Walk.

Shirley, New York- On Saturday June 13, Suffolk County Legislator Sarah Anker attended the LI2Day walk at Suffolk County's Smith Point Park. The 13.1-mile walk overlooked Smith's Point County Beach and continued through local neighborhoods. The walk helps to raise awareness of breast cancer and other cancers and 100% of the funds raised goes toward research and local support programs to benefit current cancer sufferers and survivors.

"I'd like to thank the volunteers of LI2Day for their continued dedication and commitment toward bringing awareness about breast cancer," said Legislator Anker. "There are measures we can take to reduce the incidence of this disease, and it's events like the LI2Day that help to bring our community together to provide information on prevention measures."

"For 12 years LI2Day has been the primary source of funding for the North Shore Neighbors Helping Hands Coalition," said Patti Kozlowski of the North Shore Neighbors Breast Cancer Coalition. "As a result we have been able to provide support services and financial assistance to hundreds of families in our community."

The walk raised nearly 6 Million dollars for local support programs, scholarships and Breast Cancer research. A Hope Runs Here run/walk 5k walk and run will be held on August 15th to raise additional assistance to Long Islanders battling cancer. For more information on LI2Day, please visit
